

2018 International workshop on future computing (IWOFC): Memristive Devices and Systems

December 17th-18th, 2018

Hilton Shenzhen Shekou Nanhai
Shenzhen, Guangdong, China

Call for papers

Submission deadline: November 15

Topics

IWOFC 2018 is the 2nd workshop in series providing an international forum for the discussion of latest advances in future computing devices, circuits, architecture, algorithms and systems. Topics of interest include, but not limited to:

- Neuroscience & Algorithms
- Neuromorphic Circuits & Architecture
- Emerging Materials & Devices for Neuro-inspired computing
- Neuromorphic Systems & Applications
- In-memory computing

Paper submission: <http://www.iwofc.com>

Best Poster Award

Best Poster Award selection will be based on quality and presentation of the poster at the Conference.

Authors of accepted poster papers are encouraged to submit their original papers to the special issue of SCIENCE CHINA Information Sciences (IF=2.188)
